

LED DISPLAY IN ACTION

WHO USES AN LED DISPLAY

- Golf Tournaments
- Fairs
- Festivals
- Auctions
- Concerts
- Tradeshows
- Corporate Meetings
- Sporting Events
- Auto Races
- Political Rallies
- Churches and more

WHY USE AN LED DISPLAY

- To enhance the spectator experience and increase attendance.
- **GENERATE REVENUE!** Sponsors want high impact event advertising.
- To set your event apart from the other events.
- Utilize in multiple locations at an event. Can set up in less than 20 minutes.
- Can be used day or night, rain or shine!
- Self Contained with generator, audio and all playback sources.

HOW TO USE AN LED DISPLAY

- Show live video and graphics at a concert.
- Playback DVD's or other recorded messages or advertisements.
- Use Power Point logos, slides, animation and text
- Show a live satellite feed of a sporting event to draw in a crowd.
- Place the display in a high traffic location and get your message out.
- Use as a leader board at a golf tournament.
- Display items at an auction and zoom in on final bidders with a camera feed.
- Use as an information kiosk or entrance marker.
- The possibilities are endless!!
